With a sound characterised by carefree abandon and a frightening ability to take a classic hit and give it their own unmistakable stamp we introduce to you JUNGLE JOOCE.

Each member has vast experience in their own right whether it be performing on stage, television or theatre productions, such as Jesus Christ Superstar or Joseph and the Amazing Technicolor Dreamcoat. Touring Australia & internationally with such shows as 'Elvis to the Max', Tommy Emmanuel, James Morrison or being chosen to represent South Australia and performing in New York for the 'World Jazz Conference.'

CLIENTS FEEDBACK/COMMENTS

Absolutely fantastic, the guests really loved them and they made the night! Dynamic & entertaining, full of Energy & Enthusiasm, the Best, very funny too! JJ kept us on the dance floor all night and I knew every word to every song. Great crowd participation & really connected with the people. Awesome, our guests are still talking about the show weeks after the event & we want them back again next year. JJ played a great mix of music that catered perfectly to all ages & had the dance floor full all night. I have received nothing but rave reviews and would highly recommend them to anyone. JJ Rocks! Is that your real hair? I've never heard men sing in such high voices. We want more!!
